the trouble is La Grippe
isn't in your head alone.
It's in your back, your

And it don't take a doctor to
cure you, either.

Ayer's Cherry Pectoral

By Health Journal of New York, Aug-
ust 24, 1899.—J. A. Davis, M.D., Editor
and Manager.

Only last week we examined the best
brewed by the Capital Brewing Com-
pany of Olympia, Wash., and it is a
perfect illustration of the quality of
beer which we are always glad to com-
mend, for the analysis showed it to be
entirely free from any trace of any in-
jurious substance. Such a high grade
of beer is most beneficial in its use, for
none of the pure malt and hops have
been displaced by harmful ingredients.
Every hygienist will concur with us in
saying that a beer of such superior
excellence is a very wholesome bever-
age. Physicians often have occasion
to prescribe a pure beer for cases of
debilitation, and they can safely order
this beer, made by the Capital Brewing
Company.

L. H. Dee has in his keeping the
American Journal of Health and can
be seen by anyone.

This beer can be had in bottle or on
draught at the HOFFMAN, corner of
Hotel and Nuuanu streets. A large as-
sortment of the very best of American
and foreign liquors we are pleased to
sell you and give you value for the
money of your health.

Yours,

L. H. DEE,
Proprietor of HOFFMAN.

ALL GUERRILLA WARFARE

FILIPINO ARMY BREAKS UP INTO
BANDIT BANDS.

Filipino Government To Be a Dictator-
ship—Murderers Caught by U. S.
Troops—Spanish Prisoners Released.

LONDON, December 12.—Reuter's
Telegram Company has received the
following dispatch from Hongkong:

"The Insurgent Government (so-called)
of the Philippines will be changed to
a dictatorship, to continue hostilities
against the Americans exclusively by
the methods of guerrilla warfare. The
Filipino army is being split up into
small bands, the troops taking an oath
before separation that they will fight
until their country's rights are recog-
nized."

The foregoing dispatch was evidently
sent by the Filipino Junta in Hongkong.

MANILA, December 12.—7:50 P. M.—
Colonel Smith, with a detachment of
the Seventeenth Infantry, surrounded
and captured in a village near Malasqui
a party of guerrillas who had made their
headquarters there. The party in-
cluded the band which assassinated
seven officials at Malasqui for friend-
liness to the Americans. All are insur-
gents who became bandits when the
disintegration of the Filipino army be-
gan. They kept the country around
Malasqui in a state of terror for sev-
eral weeks, and committed twenty-five
murders in less than that number of
days. When they were caught they
were promptly sent to General Mac-
Arthur's headquarters at Bayombing
by train.

It is expected that they will be speed-
ily tried and either shot or hanged as
an example, if convicted.

The whole country north of San Fer-
nando and between San Fernando and
Manila, except within the permanent
line of troops around the cities and the
closely patrolled stretches of railroad,
swarms with similar bands. Probably
they will be increased by men from Pi-
lar's army, many of whom are making
their way south to join the insurgent
force in Cavite province.

Only a small proportion of the insur-
gent army have been surrendered and the
problem of suppressing this guer-
rilla warfare is anything but easy of
solution. Some of the American offi-
cers think it worse than fighting In-
dians, owing to the difficulties of the
country and the trouble in locating the
enemy, who resort when hard pressed
to the amigododge and hide their guns.
Some of the Americans favor the in-
surance of a proclamation declaring all
names found with arms to be bandits,
punishable as criminals, instead of be-
ing treated as prisoners of war.

Information has been received at
headquarters that 500 Spanish prisoners
have been shipped from Vigan to Ma-
nila and that 1500 others have been as-
sembled in Vigan, including General
Pena. Probably these are Spaniards
released by General Young's troops in
the Benguet district, where they were
concentrated by the insurgents.

ORDERED REVOKED.

The following instructions were in-
sued yesterday by Consul Haywood to
masters of American vessels in port:

Honolulu, H. I., Dec. 19, 1899.
To Masters of American Vessels in
Port of Honolulu:

Gentlemen:—Having been informed
officially that the quarantine against
Chinatown has been raised by the
Board of Health, I beg to inform you
that my order of the 12th instant pro-
hibiting the granting of shore liberty
is rescinded.

WM. HAYWOOD,
Consul-General of the United States.

TWO POINTED QUESTIONS AN-
SWERED.

What is the use of making a better
article than your competitor if you
cannot get a better price for it?

Ans.—As there is no difference in the
price the public will buy only the bet-
ter, so that while our profits may be
smaller on a single sale they will be
much greater in the aggregate.

How can you get the public to know
your make is the best?

If both articles are brought promi-
nently before the public both are cer-
tain to be tried and the public will very
quickly pass judgment on them and use
only the better one.

This explains the large sale on Cham-
berlain's Cough Remedy. The people
have been using it for years and have
found that it can always be depended
upon. They may occasionally take up
with some fashionable novelty put
forth with exaggerated claims, but are
certain to return to the one remedy
that they know to be reliable, and for
coughs, colds and croup there is nothing
equal to Chamberlain's Cough Remedy.
